

GCCA Art School Scholarship:

The mission of Greenville Center for Creative Arts is to *enrich the cultural fabric of our community through visual arts promotion, education and inspiration*. GCCA serves the visual arts needs of people of all ages, ethnic diversities, and economic circumstances in the Upstate. We believe that everyone should be able to participate in the GCCA arts community. For students in need of financial assistance, full tuition scholarships are available. Scholarship recipients are eligible to enroll in one six-week course or one/two-day workshop per class session.
