The COLOR *Gala*

GREENVILLE
CENTER FOR
CREATIVE ARTS

Following on the success of GCCA's inaugural Color Gala event in 2023, GCCA will host the signature event again in November 2024 to raise critical funds to support programming and opportunities for local artists. The event will feature live music and artmaking, delicious food and drinks, and a live and silent auction for approximately 150 guests.

We are thrilled to be hosting this one-of-a-kind event to showcase and support the arts in Greenville and invite you to consider an event sponsorship. Each sponsorship level includes an array of exciting benefits, like a VIP preview reception and premium placement of your logo or business name.

GCCA is a 501(c)3 nonprofit organization founded in 2015 by a dedicated group of artists, arts advocates, and community leaders. It is the only art center of its kind in the Greenville area specializing in hands-on visual arts instruction for all ages, offering art classes, affordable artist studios and resources, free public exhibitions, and outreach programs for children and young emerging artists.

In 2023, GCCA counted over 30,000 visits, with 7,040 attending First Friday exhibition openings and other events, 1,300 youth and adult program participants, and over 300 artists represented as studio artists, exhibiting artists, and artist instructors. Additionally, GCCA's social media accounts have over 12,000 followers combined, email blasts are sent to a list of approximately 8,800 subscribers, and over 43,000 unique users visit GCCA's website annually. GCCA heavily promotes events through a multichannel marketing campaign using print, social media, and digital advertising. GCCA utilizes its own channels, including web and social media, and partners with Community Journals for both paid advertising and earned media, as well as Fox Carolina for periodic tv spots to promote programs and events.

As a community-based art center, GCCA is dedicated to expanding access to arts education and removing economic barriers to meaningful arts participation. All funds raised through The Color Gala will support these goals to bring transformative arts experiences to all in our community.
